**K. Monash PhD Scholarship (Special scheme supported by KPM)**

**Availability:**

- 20 PhD scholarships worth of RM2.5 million offer to Malaysian government officials who are interested to pursue postgraduate by research degrees (PhD) in priority areas of research at Monash University Malaysia, from the following categories:
- Academic: Public University, Politeknik (polytechnic) and Kolej Komuniti (community college).
- Non-academic: Any division with job Grade 41 and above.

**Benefits:**

- Each scholarship covers 100% of the tuition fees.

**Eligibility:**

- You must meet the minimum admission requirements (academic and English language proficiency) for the relevant research degree. In general, this is equivalent to a distinction average (Honours 2A) from a recognised university in a relevant field. Selection for a scholarship will be based on academic achievement for each discipline as determined by Monash University Malaysia.
- Age requirement: 45 years old and below.
- Admission Criteria: All applicants must be able to demonstrate a capacity to carry out independent research and have adequate training and ability to pursue the proposed course of study. In all cases, the qualifications described below must be from Monash University or an equivalent institution in the opinion of the Graduate Research Committee (GRC).
- Standard entry

- The minimum qualifications for admission to PhD enrolment are:
- a bachelor's degree requiring at least four years of full-time study in a relevant field, and which normally includes a research component in the fourth year, leading to an honours 1 or 2A in a relevant field;
- a course leading to a level rated by the relevant department, faculty and committee as equivalent to an honours 1 or 2A in a relevant field;
- a master's degree that entails work, normally including a significant research component, including at least 25% of one full time equivalent year of work, including a thesis. It is normally expected that a grade of honours 2A has been obtained for the research thesis or project. Where ungraded, examiners' reports will be taken into account; or have qualifications which in the opinion of GRC are deemed equivalent.

#### **Application Process:**

- Applications are open throughout the year. Scholarships are limited and awarded to 20 recipients for full-time study. Applicants must initiate course application process through the respective School. All applications consistent with the eligibility and selection criteria will be considered for a scholarship.
- For specific contacts, areas of study, application guide within each School

#### **Conditions:**

- The Monash PhD Scholarships are tenable at Monash University Malaysia only, and are not transferable to Monash University Australia. As a scholarship recipient, you will need to maintain satisfactory academic progress. Failure to do so may result in your Scholarship being terminated. You must not be in receipt of any form of sponsorship from other sources.

### **EngIT Teaching and Research Scholarship**

#### **Description:**

- The graduate research student (GRS) supported by this scholarship (i.e. T&R Scholar) is expected to contribute in a formal teaching and gain a record of teaching experience.

- Contribute an average of ten (10) hours of teaching related activities per week, including eight (8) contact hours in tutorial or lab sessions during teaching periods of semesters. Lecturing is possible for an outstanding candidate.
- Engage in other teaching related activities, such as marking during the examination period, etc.
- Teaching duties will be assigned for two semesters per year.
- Attend training in teaching workshops provided by the School and University, and meet the minimum performance standard (SETU).
- The teaching assignment will be managed by Deputy HoS (Education) in School of Engineering or Associate HoS (Education) in School of Information Technology respectively.

**Availability:**

- Applications are open in April and December, every year. Successful applicants must submit formal application for PhD before March or July of the academic year.

**Benefits:**

- Each scholarship comes with the following for up to three years and three months full-time equivalent from the date of course commencement until the scholarship end date or upon thesis submission; whichever is earlier:
  - 100% tuition fee waiver; and
  - Monthly stipend of RM3,640

**Eligibility:**

- The applicant must meet the entry requirements for PhD studies, and meet the eligibility for the Campus Graduate Research Excellence Scholarship (link), which includes H1/H1E from their Bachelor degree.
- In addition, the applicant must also possess a Master degree (by coursework or research) in a relevant discipline (engineering, computer science or information technology), and be able to obtain a Teaching Permit from the Ministry of Higher Education.
- The application is open to Malaysians only.
- The main supervisor for the PhD study must be first engaged before submitting an application.

[www.pioneer4ss.com](http://www.pioneer4ss.com)

- Prior experience in teaching is not mandatory but an advantage.

#### Teaching Areas:

- The T&R Scholars are expected to teach tutorials and labs in year 1 units and some year 2 units related to the disciplines, in the following areas:

Engineering	Information Technology
1. Electrical circuits	1. Programming Paradigms and Programming in Python / Java
2. Structures	2. Computer and operating systems
3. Geotechnical engineering	3. Networks and (Cyber) Security
4. Dynamics	4. Mobile application development
5. Process control and simulation (Aspen Plus)	5. Theory of computation
6. Fundamental materials knowledge	6. Modelling for data analysis
7. Programming in Matlab, Python and/or C	7. Software engineering
8. CAD design (e.g. solidworks)	8. IT professional practice
9. Engineering Mathematics	9. Mathematics for computer science
10. Computer systems	

#### Application Process:

- Every application must be submitted with the following documents:
  - Updated resume
  - Degree Certificates (Bachelor and Master)
  - Academic Transcripts with grading scales
  - Research output (publications, patents, and etc.)
  - Two referee letters
  - Research Proposal
  - Support Letter by the Main Supervisor from the respective School

- Applications must be submitted using the form provided by the School.
- Only applications with complete supporting documents will be processed.
- Only shortlisted candidates will be called for an interview.
- The final decision of the application will be made by the Head of School (HoS).

#### **L. Alumni Bursary**

##### **Availability:**

- This bursary is open to: Monash Alumni graduating from the Australian, South African or Malaysian campuses.
- Benefits: 10% waiver of the course fee.

##### **Eligibility:**

- You must be enrolled into one of the following courses:
- Master of Business Information Systems
- Master of Communications and Media Studies
- Master of International Business
- Master of Professional Counselling

##### **To Retain This Bursary:**

- You are not permitted to take on other financial assistance at any point of your studies.

##### **Application Process:**

- An application for Admission to the University will constitute an application for the bursary. All applications for admission consistent with the eligibility and selection criteria will be considered automatically for the bursary.
- Closing dates: Per course application deadline
